

# GET FOOD ASSISTANCE IN A SNAP

**Do you need help paying for your monthly groceries?  
The Supplemental Nutrition Assistance Program (SNAP) can help.**

SNAP is...

**Available to those who qualify:** There are enough benefits for everyone. Participating in SNAP doesn't take benefits away from anyone.

**Convenient and discreet:** It looks and works like a debit card.

With SNAP, you can...

**Buy nutritious and delicious food:** It helps households afford personal, healthy food choices.

**Shop where you want, how you want:** SNAP benefits are accepted at most grocery stores, convenience stores... even farmers markets!

**Receive help finding a job:** Colorado's Employment First program can give SNAP participants the training and support they need for employment.
