Care and Share also requests that groups allow a Care and Share staff member five minutes of time at the beginning of your meeting, conference or training for a brief presentation about the food bank and its community impact. We also ask we leave printed materials that provide additional details about the food bank. If this is a problem, please let us know.

Care and Share Food Bank offers the Lane Family Community Board Room to groups at no cost. We gladly share this room with other organizations and groups, but we always appreciate your support through food or financial donations. For more information about how you can support Care and Share please visit our Web site at www.careandshare.org.

Free parking is available at the facility. However, parking can be limited, and we encourage carpooling.

Refreshments

Bottled water and coffee will be available to groups upon request. Groups are welcome to bring in their own snacks, meals and/or soda. Additional tables for serving snacks and meals are available, but groups are asked to keep all food inside the board room. Please notify a staff member when you book your room whether you plan to bring food, so we can provide sufficient trash receptacles. Guests are asked to clean up after their event and leave the room in an attractive state of appearance.

Training and Audio/Visual Supplies

The Lane Family Community Board room has a large whiteboard, as well as a drop-down projection screen. An easel, flip charts and markers are available upon request. The food bank also has laptop and projector hook-ups, but groups should provide their own laptop or projector. Your group is welcome to bring additional supplies as needed.

Finally, guests are asked to clean up their area after an event and leave the room in an attractive state of appearance.
