# Catering for a Cause

Catering for a Cause is a full service, in-house catering program of Care and Share Food Bank. Whether you are holding an event in our distribution center, volunteering with a group, or hosting a meeting in one of our conference rooms, the last thing you want to do is worry about what's for breakfast, lunch, or dinner! We offer various delicious menu items to suit your needs. Our staff will work with you to customize your experience. Catering for a Cause accommodates groups of 10 or more people.

## Food Used for Good

Food used for catering purposes is procured separately from donated food product, and profits generated are used to support and fund programs of Care and Share Food Bank. By choosing Catering for a Cause, you are giving back in a way that helps nourish our neighbors in need across Southern Colorado.
