# GOVERNMENT SHUTDOWN RESPONSE

*Uplift Your Neighbors*

If you or someone you know is struggling, food is available. You don't need to be a federal employee to seek assistance - we know this current government shutdown affects the bottom line for many families, so we have added extra food distributions during this difficult time.

The best resource for anyone who needs food is the "Find Food Locator" on our website. Go to [www.careandshare.org](http://www.careandshare.org) and on the top of the page, click find food and enter in your address to locate our partners providing food closest to you.
