CARE AND SHARESM
FOOD BANK FOR SOUTHERN COLORADO

We ask these questions so that we can better serve our neighbors. Here's how:

Name & Age

Avoids duplicate records in our system, helping us meet the needs of our most vulnerable neighbors.

Gender Identity

Allows us to provide more holistic programs to meet your needs.

Race/Ethnicity

Helps us ensure equitable treatment for all our neighbors, including providing culturally relevant food.

Zip Code

Enables us to direct our neighbors to the resources closest to them.

Health Considerations & Disabilities

Allows us to meet your health needs by providing appropriate access to the food you need most.

Veteran/Military Status

Empowers us to better serve those of you who have served.

Household Member Information

Equips us to provide your agency with appropriate amounts of food.

Dietary Factors

Enables us to get you healthy food that meets your needs, such as gluten- or sugar-free options.
