Thank you for your participation in Care and Share Food Bank's Service Insights on MealConnect (SIMC) program. Your signature below indicates that you agree to the following guidelines:

- 1. Agree, in good faith, to attempt to collect all data from neighbors.
- 2. Agree to keep all neighbor data confidential. This includes:
  - a. Collecting information in a private area.
  - b. Not leaving your computer unattended when inputting neighbor data.
  - c. Limiting password sharing.
  - d. Logging out of SIMC and closing your browser window when you are done using it.
  - e. Providing ongoing training to staff and volunteers in maintaining data confidentiality.
- 3. Agree to keep all neighbor data secure. This includes:
  - a. Limiting access to the data export feature to authorized individuals within your organization.
  - b. Exporting the least identifiable data that you need to perform your task.
  - c. Printing de-identified data only when absolutely necessary.
  - d. Destroying printed data (e.g., shredding) and deleting downloaded data immediately following its use.

Thank you for all you do to serve your community!
